Dear Madam,

RE: REQUEST FOR TRADING HALT

The Company requests a trading halt be applied to its shares with effect from pre-open on Monday 9th January 2012 for two days.

The reason for the request is to allow the Company sufficient time to prepare an announcement for release to market with details of its maiden JORC Resource/Reserve.

The final geological consultant's report relating thereto was not available until after close of trading on Friday 6 January 2012.

The event which will end the trading halt is the release to market of details of the Company's maiden JORC Resource/Reserve on its Romang Island tenements.

The Company is not aware of any reason why such a request should not be granted

Yours faithfully
